

Become a Friend of TMJA!

The TMJ Association needs your financial support. Here is how we will put your contributions to work:

- **Patient Support and Information Collection and Dissemination** – providing information and resources by print and electronic media, and through a support affiliate program.
- **Public Affairs** – providing expert testimony for inquires about TMJ and creating a dialogue with legislative and regulatory agencies.
- **Scientific Research** – advocating for basic and applied scientific research that will reveal the causes and appropriate treatments.
- **Awareness Raising** – educating the public-at-large and health care professionals about TMJ and the needs of TMJ patients.

Yes, I want to help “Change the Face of TMJ” by investing in The TMJ Association.
